WHY WE COLLABORATE WITH PUBLIC SAFETY

Campus Safety & Security

(Not Police)

Crimes & Policy Violations in the Halls

Student Support

WHAT TO EXPECT WHEN COLLABORATING WITH PUBLIC SAFETY

When Public Safety Calls You:

- Respond immediately to the location
- Bring a way to take notes

When You Call Public Safety:

- Explain the incident and exact location
- Manage the incident until officers arrive

When Public Safety Arrives:

- Briefly connect with officers to update
- Officers take control of the incident **and** RAs remain actively engaged

ROLE OF THE RA WHILE COLLABORATING WITH PUBLIC SAFETY

Share Information

Ensure officers have all the information you do to appropriately write their reports and address the incident

Address Incorrect Information

If Officers share incorrect information, address it (kindly) in the moment

Call CD/GSA on Duty

May be required (see Who To Call document); can also call with questions, clarity on procedure, or if something feels off

Write a Report

Every time, not matter what Public Safety says or whether they are writing a report, you document in Advocate

An abstract graphic on the left side of the page features a dark background with various colorful lines and shapes. These include orange, green, blue, yellow, and purple lines that form loops, swirls, and geometric patterns. Some lines are straight, while others are curved or zigzagged, creating a dynamic and artistic composition.

COLLABORATION BEYOND THE INCIDENT

BIT & CARE Teams

Residence Life & Public Safety are both members of the campus-wide Behavioral Intervention Team (BIT) and CARE Team.

Clery Reporting

We work with Public Safety to make sure our Clery counts match theirs (more info. coming)

Report Sharing

Public Safety sends us all the reports that occur within the residence halls; we use these to inform student follow up, including conduct
