

DUTY EXPECTATIONS

Student Leader Education and Development
Monday, August 12th
Austin Korynta (he/him/his)

Slide 1

RJ1 This might be a canva transfer thing - but I think some of the spacing got wonky - this seems up higher than center

Reagan, Jessica, 2025-06-02T13:26:15.535

**WHAT COMES TO
MIND WHEN
THINKING ABOUT
DUTY?**

What is Duty?

Duty is a health and safety process at a consistent time each night for residents to find an RA, and therefore, consistent access to our various resources on campus. Duty includes a set of rounds to assure the health and safety of the building to make sure that any concerns are documented for the appropriate response to occur.

Slide 3

RJ1 I think some of the fish and coral could be bigger to fill the page better here :) - true for other pages too. Again, I think this is a canva transfer thing

Reagan, Jessica, 2025-06-02T13:26:50.037

What is Duty? (continued)

While on duty, students might reach out to on-duty RA's to:

- Someone to talk to
- Checking out desk items (vacuums, cleaning supplies, pots and pans)
- Access to campus resources through on-duty RA's
- A resource to speak to about concerns, including conflict and incidents

Duty is also a time for community building given the required presence in the building.

RA's on-duty will spend time:

- Speaking with students and developing personal relationships
- Greeting students when they enter buildings/spaces
- Stopping by rooms where doors are open to greet residents and check-in
- Walking through the buildings to assess community activities and react accordingly.

When are we on duty?

Weeknights: 4:30pm - 8:00am

Desk Hours 4:30pm-8:00pm

Weekend Nights: 4:30pm - 8:00am

Desk Hours 4:30pm-8:00pm

Duty rounds may consist of two RAs in certain communities.

Every day! Even in the summer, we're available.

Duty continues through holidays and J-Term

Slide 5

RJ1 why 9?

Reagan, Jessica, 2025-06-02T13:24:23.891

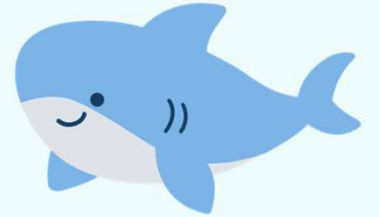

KA1 0 Whoops- Canva had the slides numbered, I deleted the 9!

Korynta, Austin L., 2025-06-03T16:20:09.742

RJ2 good font sizes!

Reagan, Jessica, 2025-06-02T13:27:18.772

What do I need?

SWAG

A St. Thomas shirt, preferably your Res Life t-shirt!

PHONE

Each community has a duty phone stored in the hall

MEAL

Duty runs through dinner time, plan ahead!
(use your dining dollars or grab a to-go meal)

MINDSET

Be ready for whatever, and be
a positive presence in the hall!

TECH

Have access to Roompack for the duty log and roster

DUTY PHONE

Each community has a mobile phone to assist with duty and communication

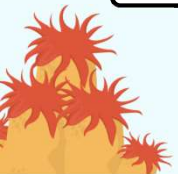

Holding the Phone

- Phone needs to be picked up by 4:30pm, be on time!
 - Check in by texting the CD/GSA on duty
 - If you are late, a CD/GSA will follow up with you and notify your supervisor
- You will hold the phone with you throughout your shift, returning it the next day when your shift ends at 8:00am (no later than 10:00am)

Using the Phone

- Answer the phone: “RA on Duty, this is [your name]” each time you get a call.
 - Whomever is calling you should know exactly who you are and who they are speaking to.
- If you miss a call, call back ASAP!
- No additional apps unless approved by your CD/GSA
- Plug in to charge at the end of each shift

Other Interesting Factors

Every building and every night is different, so some things might need to change. As incidents come up, you may be expected to...

- Complete additional and more frequent rounds
- Have more RAs on duty
- Have more collaboration with Public Safety
- Other changes, stay flexible!

Slide 8

RJ1 why 10? :)

Reagan, Jessica, 2025-06-02T13:24:36.813

KA1 0 same as before!

Korynta, Austin L., 2025-06-03T16:20:42.024

Community Presence

- Before the start of each set of rounds, every RA on duty will take time to have presence in a common area...
 - ...for a minimum of ten minutes
 - ...in a common place. This can include a lobby, high traffic area, or other community space
- There is a section in the duty log to capture your interactions during this time, have something to write!

Community Walks (Rounds)

- Rounds will occur generally at 8pm, 10pm, and 12am (midnight)
 - 2am round occurring on weekends (Friday and Saturday nights)
- While on rounds:
 - Check EVERY entrance to ensure it is secure
 - Make sure all fire safety items are present (i.e., fire extinguishers, EXIT signs, etc.)
 - Keep your head up! We're used to our spaces looking the same, so be on the lookout for anything out of the ordinary
 - Walk the entire area or building
 - Note anything out of place, suspicious, or of concern
 - Address policy violations
 - Keep your time
 - Keep your integrity

Documentation

Standard Reports for Documentation:

-  Duty Log (Roomcompact)
-  Advocate (Incident Reports and FYIs)
-  Title IX
-  Email

RJ1 why 10? :)
Reagan, Jessica, 2025-06-02T13:24:53.735

Scenario 1

While conducting rounds, you hear a great deal of noise coming from a room.

- What are your steps to work through this situation?
- Follow up question: what do you do if when the door is opened you can see alcohol in the space?

Scenario 2

While checking a hallway, you notice that one of your peers' bulletin boards has been vandalized, including a hate symbol being drawn on the board.

- What are your steps to work through this situation?

Scenario 3

You just finished 10pm rounds and made it back to your room to do some studying in between rounds, when you receive a call from Public Safety regarding a student that hit their head on their bedframe. Public Safety tells you they are already in the room with the student.

- What are your steps to work through this situation?

Scenario 4

You're at your community desk and see one of your peers enter the building. They stop to talk to you, and you notice that something is up. They are clearly disoriented and smell like alcohol. Eventually they leave to go back to their room, and you see them stumbling as they walk away.

- What are your steps to work through this situation?

ANY QUESTIONS?

CD/GSA on Duty: 651-801-8484
Public Safety Emergency: 651-962-5555
Non-Emergency: 651-962-5100

RJ1 so cute
