Event Policy: Marketing & Publicity

Accessibility

All event publicity **MUST include this information about accessibility:**

To make a disability accommodation request, please contact the event coordinator [insert Community/Hall Director name] at [insert Community/Hall Director email address] at least one week prior to the event date.

Includes:

- On printed posters
 - In TommieLink Events (preferably in the text of the event description rather than on the flyer)
 - With event information posted in GroupMe or other digital spaces (i.e., if you're sharing the digital flyer and it isn't listed on the image; you do **not** need to add it if you share a link to the event on TommieLink because it's already listed there)
-

Resource Rooms

- Each RA Team has access to an RA Resource Room for butcher block paper and other event materials
- Residence Life staff and RAs should **not** use the create[space] or its materials for Residence Life purposes
- CD/GSAs can order additional items for their RA teams to be kept in their community's resource room

Canva

- Your CD/GSA will add you to your Hall's "Classroom" Canva account

Printed Posters

- Residence Life Professional Staff & RAs may post within the residence halls (connect with your CD/GSA about where and how to do this in your community)

- CD/GSAs must approve any posting and it must comply with the standards in the Resident Connection & Learning Plan
