Event Resource: Creating Events in TommieLink

How to Submit an Event Form

- All Residence Life events need to be added to TommieLink
- Creating an event in TommieLink enables your organization to advertise your events to the St. Thomas community and manage the RVSP forms, guest attendance, and event evaluations all in one place

Access the Event Tools

- Make sure you have access to post events in your organization
- Navigate to the event tab in the organizational tool drawer

 Organization tools, circled events tab

Manage Events Page

- View all current and past events that were approved, denied, or cancelled
- Click on the event name to view further details
- Begin the event submission process by clicking the blue "Create Event" button, located in the top right side of the page

 Manage events page, search filters on the left and list of event submissions on the right

Completing the Event Form

Page 1:

Basic Details:

- Any section with an asterisk (*) is required

- Create a title, select a theme, describe the event, and add co-hosting organizations
 - In the event description consider adding how to exactly locate the event, details to know prior to attending, and contact information
 - Event descriptions **must include the accessibility statement:**
 - To make a disability accommodation request, please contact the event coordinator [insert Community/Hall Director name] at [insert Community/Hall Director email address] at least one week prior to the event date.

Time and Place:

- Date(s) & start/end times
 - Make multiple occurrences of the same activity by clicking "+ Add another date"
- Location details
 - Click "Online Location" to add your meeting link and online instructions

Event Visibility:

- Select who can see the event based on the following options:
 - **The Public: Both logged in and not logged in users can view the event (use this one so parents & families can view events)**
 - Students & staff: Only logged in users can view the event
 - Organization Members: Only members listed on your club roster can view the event
 - Invited users only: Only those specifically invited can view the event

Event Categories & Perks:

- Select applicable event categories and perks so users may find your event using the event directory search filter
 - e.g., student is searching for a diversity and inclusion event serving free food, because you appropriately categorized your event, they attend

RSVP Options:

Select who can RSVP, how many can RSVP, allow guests, or add custom questions (food preferences, dietary restrictions, guest, information, shirt sizes, etc.)

Off Campus Activity Release:

- Any event occurring off campus needs to include the Activity Release questions
 - Only event approvers (CD/GSAs) are able to add these questions into the RSVP section
-

Event Cover Photo:

- The image displayed on your event page
 - If you do not have a prepared image or skip this page, a default photo supplied by the system based on the event theme you selected
 - Your Cover Photo helps draw attention to your event. To make sure your image looks great, choose a high resolution photo that's eye-catching, high quality, with a central focal point.
 - **Guidelines for image files:**
 - **Dimensions:** Image should be 1300px by 780px or larger and horizontal in orientation. All images will be cropped to a 1.67:1 aspect ratio.
 - **File Type:** JPG, JPEG, GIF, PNG and PDF.
 - **File Size:** Use a photo that's no larger than 10MB.
 - **General:** Avoid images that have text or logos. *PDF files will not have a preview and can not be cropped.*

Budget & Event Supplies Request:

- Total budget requested
- Provide a cost breakdown of the budget requested
- Link to specific supplies

These questions help the CD/GSA gather the additional information they need to review the event as well as provide the submitter with information on university policies specific to their event

- If the information in your event description does not match your responses in this section, your event will be denied, and you will be asked to resubmit the event with all questions answered properly
-
