MAINTENANCE REQUESTS

Guide for residents: https://www.stthomas.edu/_media-library/_documents/residence-life/how-to-submit-a-maintenance-request.pdf

Reminders:

- Students should be submitting their own requests
- RAs can submit for own room or community spaces
- Not for laundry machine or ITS concerns

Process:

1. Resident/RA submits request in Housing System
2. Alexis (Operations and Finance Manager) reports to Facilities Management and works with appropriate area
3. Facilities comes to the space to address the issue, students do not have to be home
4. Alexis receives notification that issue is resolved, closes the request and automated e-mail sent to student/RA
