- A. On the evening of Saturday, September 28, 2024, at 10:15pm, RA Tom Jones was completing a round of the building when he heard loud music from Flynn room 609. As Jones went to knock on the door to ask the residents to lower the volume of the music, Jones heard a voice from inside say, "let's take another shot." RA Jones knocked on the door and announced himself as the RA on duty; at this time the music quieted, and Jake Jakeson (resident of room 609) opened the door. RA Jones explained to Jakeson what he had heard and asked if RA Jones could come into the room to talk about the situation. Jakeson agreed and opened the door for RA Jones. There was one other person in the room, resident Jayson Grand, who is Jakeson's roommate. Upon entering the room, RA Jones saw a bottle of Skyy Vodka (approximately half full) and six bottles of Bud Light (2 full, 2 empty, and 2 half full). Due to the presence of alcohol, RA Jones called Public Safety. Public Safety arrived at 10:32pm with Officer Katz (Badge #100) and Officer Green (Badge #101). RA Jones asked for both residents' St Thomas IDs, Jakeson and Grand willingly gave their University IDs and admitted they were underage. RA Jones asked if there was any more alcohol in the room and both residents said there was not. Officer Katz asked if the residents would open the refrigerator to double check. Grand opened the refrigerator, and no other alcohol was found. Officer Green asked Grand and Jakeson to dump out the alcohol in the kitchen sink. The alcohol was dumped in the kitchen sink and the bottles were recycled in the trash room by Jakeson and Grand. RA Jones explained that the Community Director would be contacting both residents to meet about the situation in the near future regarding student conduct and thanked them for their cooperation. RA Jones conferred with Officers Katz and Green to confirm everyone had the appropriate information. The Public Safety ICR is 17-00011. The incident ended at 10:46pm.

- C. On Tuesday March 32nd at 12am Resident Advisor Jennie Kim was on rounds when RA Kim heard loud music and screaming coming from the north end of the 3rd floor of Dowling hall. RA Kim proceeded towards those rooms and found Resident Jeongyeon Yoo holding open the door of DOW 13. Resident Yoo was holding an open can of Loon Juice Hard Cider and was wooing at the unidentified persons inside the room. RA Kim asked Resident Yoo to step back inside DOW 13 and close the door, Resident Yoo followed that instruction. At 12:06am RA Kim contacted Public Safety due to the presence of alcohol. At 12:08am two unidentified individuals exited DOW 13, and walked toward the elevator. RA Kim asked them to wait but they continued to the elevator. Public Safety officer Smith arrived at 12:15am and knocked on the door of DOW 13. Resident Yoo opened the door and asked why public safety was at their door. Resident Yoo is the only occupant of the DOW 13. Officer Smith asked Resident Yoo if they had consumed any alcohol this evening. Six cans of Loon Juice Hard Cider were present on a desk in the room. Resident Yoo was wobbling slightly and Officer Smith asked Resident Yoo to sit down. Resident Yoo sat down and stated yes they had consumed alcohol. Officer Smith then performed a PBT on Resident Yoo and the test came back with a .09. At 12:25am DOW 13 Resident Chaeyoung Son returned to the room. Resident Son had not consumed any alcohol in the evening and was not present for the alcohol consumption in DOW 13. Officer Smith determined that as long as Resident Son would be in the room to assist Resident Yoo that Resident Yoo could remain in the room and would not have to be taken to the Care Room. Resident Son agreed to keep an eye on Resident Yoo. Officer Smith advised Resident Yoo that they should expect to be contacted by the Dean of Student Office about the conduct process and Officer Smith confiscated the remaining three cans of unopened Loon Juice Hard cider and with RA Kim proceeded to the bathroom to dump out the alcohol. Incident concluded at 12:35am
