Student Leader Accountability Guidelines 2025 - 2026

Considerations

The conditions below will inform decision-making on accountability:

- Impact of behavior (on self, residents, team, supervisor, community, department, university)
- Scope of behavior (i.e., while performing the student leader role, on campus, in community, with residential students, etc.)
- Ongoing patterns of behavior
- University and position documents, policies, and agreements including, but not limited to:
 - Federal, State, and Local Laws
 - Student Code of Conduct
 - Resident Advisor Position Overview
 - Student Leader Agreement
 - Confidentiality Agreement
 - Key Agreement
 - Outside Commitment Agreement

Position / Performance Expectations

Refers to position expectations as listed in the Resident Advisor Position Overview and Student Leader Agreement including, but not limited to:

- Community Engagement
- Resident Interaction
- Student Leader Team
- Administration & Operations
- Education & Development
- Time Commitment / Time Management
- Policies & Guidelines
- Alcohol & Other Drug Expectations

Critical Responsibilities

Critical responsibilities in the Resident Advisor position relate to the health and safety of the campus community and must be executed appropriately. These responsibilities include, but are not limited to:

- Duty responsibilities
- Addressing health and safety concerns
