In This Together - Student Affairs Student Leader Training

In This Together

Rooted in our Catholic values, built for community

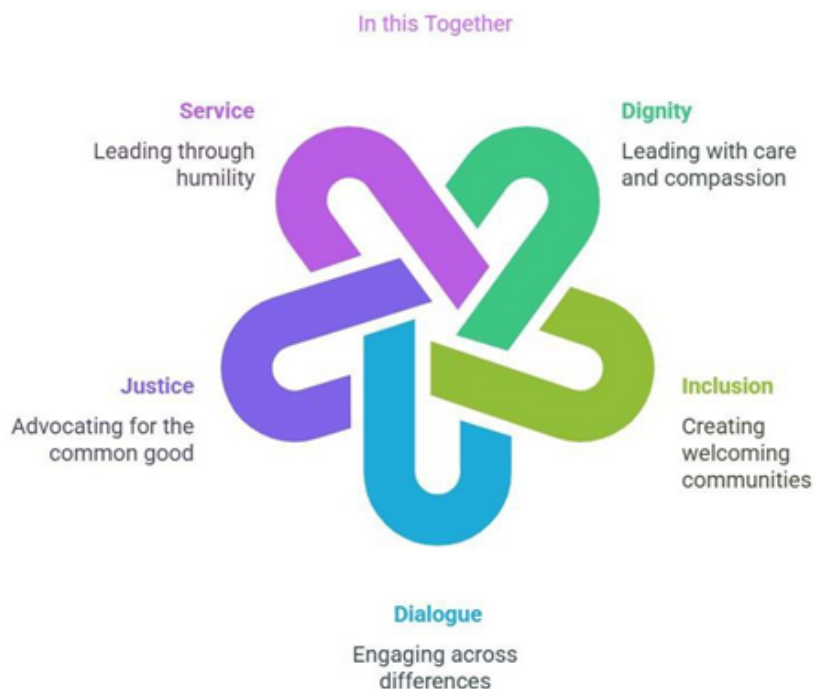

Image showing five interlocking concepts titled "In This Together." The concepts are Dignity (leading with care and compassion), Inclusion (creating welcoming communities), Dialogue (engaging across differences), Justice (advocating for the common good), and Service (leading through humility).

"In This Together" is a student leader training grounded in our Catholic mission and values. It invites us to recognize the dignity of every person and explore how we can build a welcoming, respectful, and inclusive campus. Through reflection and conversation, we'll learn what it means to live in community and support one another, because we're truly in this together.

This training leans into the *Principles of Good Practice for Student Affairs at Catholic Colleges and Universities*, specifically Principles 1 (Inclusive Community), 4 (Dignity of All People), and 7 (Dialogue

Across Differences), as guiding frameworks for your growth as a leader. This Canvas module is your companion as we explore how leadership, grounded in Catholic social teaching, can create meaningful change and foster inclusive communities. Use this module to reflect, participate, and grow as a leader dedicated to the common good.

In the module, there are pages for each of the 5 components of "In This Together:"

1. Rooted in Dignity
2. Belonging & Brave Spaces
3. Dialogue Across Differences
4. Agents of Justice
5. Leadership as Service

Each page will include an explanation of what the component means, where we are discussing it during August SLED, some opportunities for further reflection, and a personal commitment. We will not require you to turn in any of your reflection or commitments as a part of this training, but we expect you to participate fully.
